

YOUR BRAND. OUR POWER.

Private Label Abrasives That Perform.

We don't just manufacture abrasives — we empower brands to grow.

With over 140 years of market leadership, operational excellence, and relentless innovation, we bring world-class private label capabilities to your business. Partner with a global abrasives producer known for high performance, consistent quality, and a passion for helping our partners succeed.

Whether you're expanding your product portfolio or strengthening your brand reputation, we are ready to deliver powerful solutions, built to your exact specifications.

Together, we create growth.

Proven Expertise. Unrivaled Capability. Relentless Innovation.

Private label isn't just another program for us — it's a commitment to excellence. Every product we produce is backed by deep market expertise, world-class manufacturing, and a team driven by innovation and collaboration.

World-Class Products:

Engineered by experts.
Trusted by industries.

High Volume Production:

Automated production lines deliver high volumes with speed, consistency, and precision.

Success Fueled by Innovation:

Continuous investment in people, processes, technology, and service to fuel your success.

A Dedicated Team:

Our application engineers and quality specialists ensures that every product not only meets expectations but exceeds — in performance, safety, and value.

SOLUTIONS THAT POWER YOUR BRAND.

We offer a comprehensive portfolio designed to meet the needs of diverse industries and surface conditioning applications. Performance tiers include:

- **Good:** Aggressive, reliable performance for the construction sector.
- **Better:** High performance and long product life for metal fabrication professionals.
- **Best:** Maximum performance and extended life for the most demanding users.

General Product Categories Include:

- Cut-off Wheels
- Grinding Wheels
- Flap Discs

Private Label Partner Tiers:

Premium Tier*:

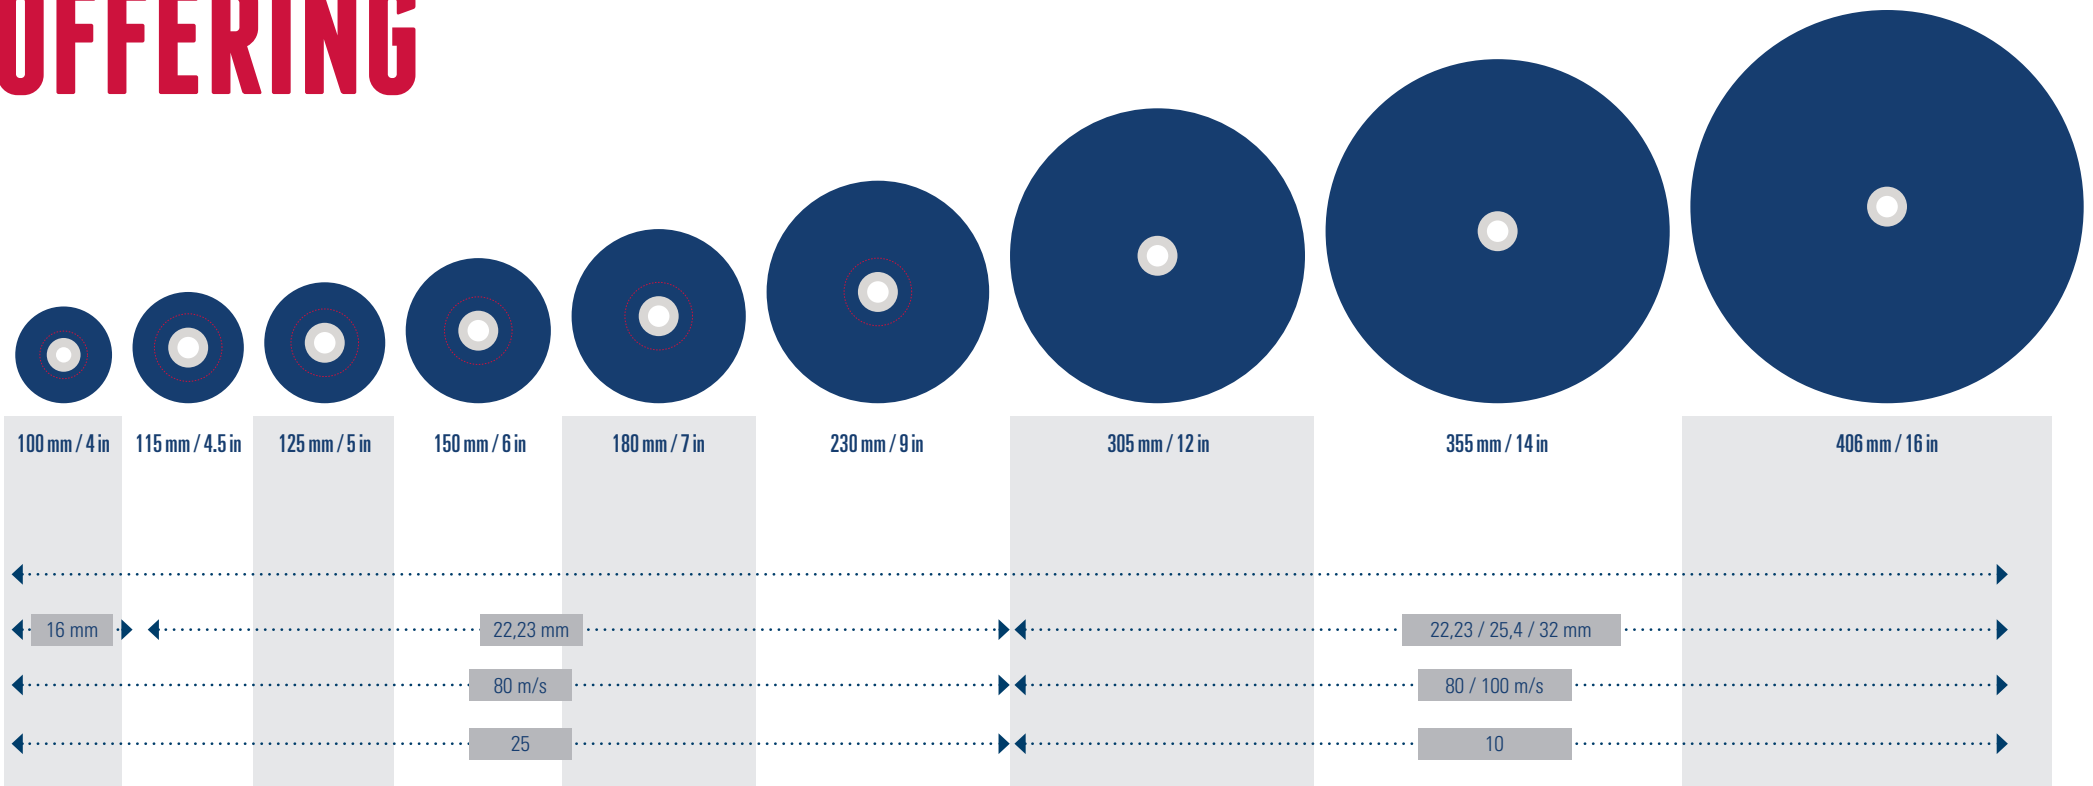

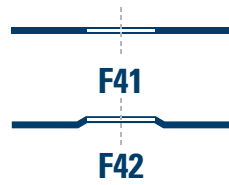

- On-site training and support
- Custom packaging option

Standard Tier:

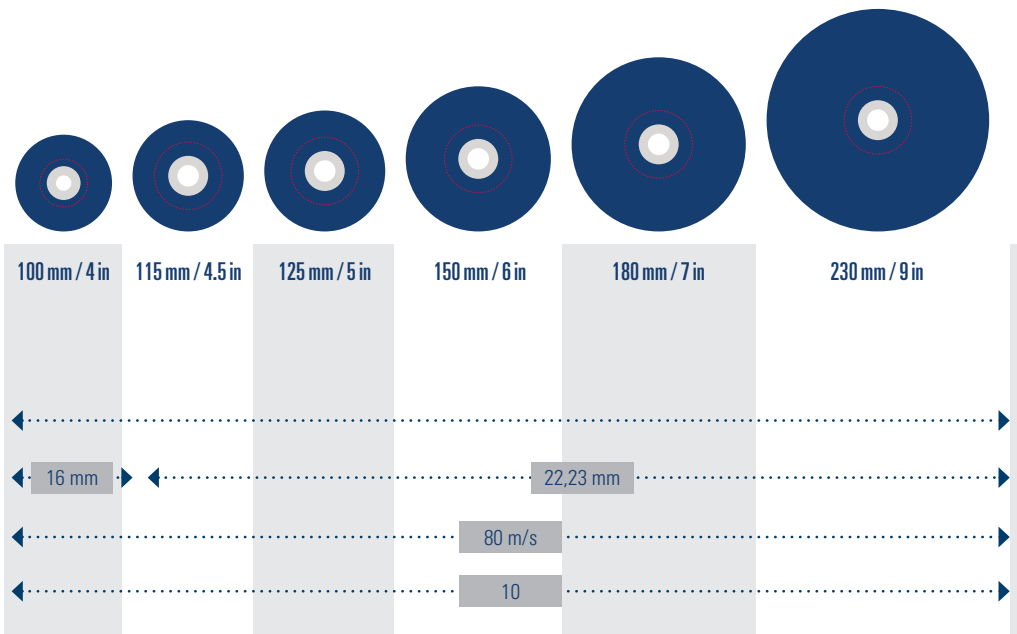

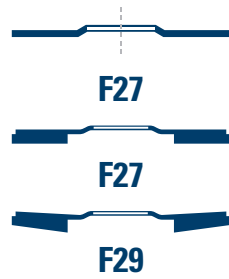

- Online training
- General packaging

* Partners must meet specific criteria to qualify for the premium tier. Please discuss with your Weiler representative.
